years celebrating community arts

## A Note from our Executive Director

Dear friends,

I admit, I am long overdue in sending this message out to our community. Especially since I've so frequently thought about how sincerely grateful I am for every one of you who have supported WCFA over this past year - which was an amazing year of 50th Anniversary Celebrations!

I am still in awe reflecting on the beautiful event that was held in the courtyard this past September that celebrated members from all generations. It was a beautiful, joyous event and we are so thankful for our community that has meaningfully contributed to WCFA's continued success and tenacity. Celebrating five decades of artistic expression with a live performance by the Extraordinary Rendition Band was a truly spectacular way to cap off fifty years!

It's been quite a busy year - and we are excited to keep that momentum going! Stay tuned for some updates on what's ahead in 2026 and please reach out if you have any interest in getting involved, at any level and capacity. One of my goals this year is to find ways to encourage deeper engagement with our membership and patrons so I'd love to hear your thoughts.

We have some great photos from the event and you can [view the Google Photos album here](#). You can also read [this article](#) by John Howell at the Warwick Beacon for a recap of the event.

I appreciate all of you - and hope to see you in our community space very soon.

Happy holidays and be well.

Danielle

PS: don't forget to come shop the Winter Market Wednesdays through Sundays, from 11am to 5pm, from now until December 20th to support local artists!
